LOS ANGELES

## THE HEATHER TEE

PAGE 45

# BELLA+CANVAS® START WITH THIS TEE

A BLANK CANVAS FOR EVERYTHING YOU IMAGINE AND CREATE, IT'S MORE THAN JUST A SHIRT. IT'S A PLATFORM TO LAUNCH YOUR BRAND, ARTWORK AND MESSAGE INTO THE WORLD. IT'S A REFLECTION OF YOU, THE QUALITY YOU STAND FOR, A MEANS TO DEFINE YOURSELF. IT'S A WAY TO BE DIFFERENT.

And that's the BELLA+CANVAS way. We make it our mission to create, evolve and perfect our craft—and we defy convention, eager to do things differently from the other guys. We embrace the challenge of bringing retail quality tees to the wholesale space, and have redefined the industry in the process.

As promised from day one, we use only 100% combed and ring-spun cotton. And wherever our tees end up, they will be worn again and again. Crafted to wear like a favorite. Soft enough to live in.

**BE YOU. BE DIFFERENT. BE BELLA+CANVAS.**

# NOT ALL TEES ARE CREATED EQUAL

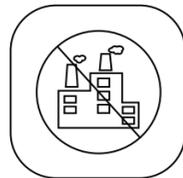

BE DIFFERENT EVERYDAY AND EVERYWAY

## LOS ANGELES

**10+ MILLION T-SHIRTS MADE IN THE U.S.A. EVERY YEAR. FOR REAL.**

We make as many tees at our Los Angeles sewing facilities as we possibly can. And we are always pushing the envelope to add more volume. American made is something we believe in deeply and we've dedicated immeasurable resources to growing our domestic sewing during the two-plus decades that we've been manufacturing tees.

## NO SWEATSHOPS

**100% NO SWEATSHOPS — BECAUSE WE TREAT OUR PEOPLE THE WAY WE WANT TO BE TREATED**

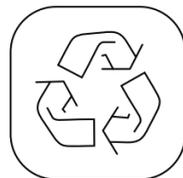

Kind tees are our kind of tees. BELLA+CANVAS has been manufacturing in the U.S. and internationally in a no-sweat-shop, humane, sustainable way since day one. Doing things the right way has never been up for debate. Our Platinum W.R.A.P. certification is just a small indication of how hard we work to make our sewing and cutting floors pleasant, productive, comfortable places to work.

## W.R.A.P. CERTIFICATION

**W.R.A.P. PLATINUM CERTIFIED RESPONSIBLE PRODUCTION**

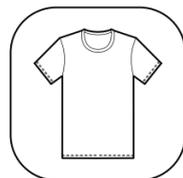

We're proud of our platinum accreditation from W.R.A.P., an independent group of social compliance experts, that makes sure our factories are certified safe, lawful, humane and ethical. W.R.A.P. accreditation validates that our already-high standards go above and beyond the practices they monitor and certify.

## ECO-FRIENDLY

**ECO-CONSCIOUS MANUFACTURING: OUR AMERICAN SEWING IS TOTALLY GREEN**

The BELLA+CANVAS Los Angeles sewing floor is solar powered and creates almost no landfill. Everything we can't turn into a tee is either recycled or repurposed. Thanks to our solar panels, the L.A. sunshine generates all the electricity needed to run our facilities. We set the bar high on this one because we plan on making tees pretty much forever, so we stay proactive and forward thinking about our manufacturing.

## RETAIL QUALITY

**BEST FIT. BEST FEEL.**

Starting at the thread level, we design the composition of each knit to make sure it will become the best feeling, fitting and printing tee you've ever worn. Every tee is made with 100% combed and ring-spun cotton, and has been engineered with side-seaming, set-in necks, and sleeves that don't wing. If it's not retail, it's not BELLA+CANVAS.
